Cricket Factory Cup – Information and Entry Form

Cricket Factory Schools' Cup

Dear Teacher in Charge of Cricket,

We are delighted to inform you that the Cricket Factory Schools' Cup will be taking place again. This will be the sixth running of the competition and we are thrilled that Cricket Factory will, again, be supporting the competition.

The aims of the Cricket Factory Schools' Cup are to generate further interest in the game, to provide a competitive outlet for school cricket teams and to provide an easy-to-run format of the game which can be played on any surface – indoor or outdoor.

The competition will run in a regional format, with each regional winner being invited to take part in a National Finals Day. This event will take place at the picturesque Doo'cot Park, Perth and we are delighted to be able to announce that we will be increasing the number of schools participating on the day to eight!

There will be a number of Regional Qualifying Events for the national finals. Contact your Cricket Scotland Regional Manager for more information.

Where possible, we will encourage your local cricket club to support you and if you have a Community Cricket Coach working near to your school they will be encouraged to provide additional support.

If you wish to enter your school team into the Cricket Factory Schools' Cup please complete the enclosed form and return it to your local contact, as detailed on the following pages.

We wish you, and your school, all the best and we hope to see your school at Finals Day.

Yours sincerely,

Cricket Scotland

Regional Participation Staff

Cricket Factory Schools' Cup

ENTRY FORM

- Competition is open to all pupils in S1-S3 year groups (boys and girls).
- A player may not play in this competition if they have played in the Cricket Scotland National Secondary Schools' Cup in the same year.
