Cricket Scotland reiterates current guidance for Scottish cricket clubs

Cricket Scotland would like to confirm that the recent announcement made by the England and Wales Cricket Board regarding a return to outdoor cricket activity only applies to clubs in England.

Cricket activity within Scotland remains on hold until at least 1st July, as announced by Cricket Scotland on 13th May.

The decision was made in line with the Scottish Government, which announced on 7th May that the lockdown measures would stay in place until at least 28th May, when a further announcement is expected.

Cricket Scotland continues to liaise with the Scottish Government and when it is deemed safe to do so, will issue guidance on a safe return to outdoor cricket activity for clubs across the country.
